- Highly interactive with 12 pages/9 minutes per visit average

Last Month Statistics

How and What

- Submit your link URL, descriptions that you want for users to see and; if you want, an image to lesov@yahoo.com
- Your AD will be displayed on all pages right under game logo. 
- You can advertise anything legal. Products, services, events, youtube channels.....

Costs and views

- Ads are allocated in time slots each 28 days
- A slot guarantees that the AD will be shown 4 days out of 28
- 7 slots are sold every 28 days (one per each week day)
- Each slot is US \$9.00
- If all 7 slots are sold then each AD will be shown 4 days out of 28. ($4*7=28$)
- If less than 7 slots are sold then individual ADs will be shown more often
- Therefore if B2G only sells one slot...that AD will be shown for all the pages all the time during the 28 day period
- Slots for sale now are for period Mar 1 – Mar 28, 2014
